Red Ribbon Appeal – Break the silence

Wear a red ribbon

The red ribbon is the international symbol of HIV awareness. Wear it as a sign of support for the 40 million people living with HIV worldwide, and encourage your friends and family to wear red ribbons as a sign that together we can stop the spread of HIV and bring an end to prejudice.

The Fife Men Project will be distributing Red Ribbon Appeal Boxes throughout Fife and monies raised enables up to date information and campaigns to happen not only on WAD but throughout the year! Come along to the information day or contact the project for further details.

Friday 1st December 2006
